

UW-Superior Student Referendum

Rothwell Student Center Project

December 1st and 2nd, 2004

Please read the following choices and *pick only one*:

- A. I support a new building project for the Rothwell Student Center that will be implemented with a segregated fee of \$513 per year.

The fee will be phased in as follows:

	<u>Fee Increase</u>	<u>Total for Each Year</u>
05-06		
06-07		
07-08		
08-09		
09-10 & ON		\$513

- B. I support a major renovation project for the Rothwell Student Center that will be implemented with a segregated fee of \$332 per year.

The fee will be phased in as follows:

	<u>Fee Increase</u>	<u>Total for Each Year</u>
05-06		
06-07		
07-08		
08-09 & ON		\$332

* The RSC Planning Committee decided that the infrastructure and food service only project should not be included as an option on the ballot because the cost per student would be \$360 per year. This would not best utilize student fees. Further, the Foundation was not going to contribute for a “bare bones” project thus making that project more expensive for the students.
